

How To Propose

How to propose to your girlfriend may sound like an easy task. Just ask "Will you marry me?" and everything falls into place. But that is not always true.

Proposing marriage is a memorable moment in your life. You and your partner will always cherish this special feeling and this event will always take you back in time. Your friends would be curious and so will your children in the near future.

Movies and daily soaps can really steal your thunder. They show the most romantic locations where the proposal is set and the expectation from your girlfriend tends to increase after watching these serials. Creative ways to propose is always original but you should first find out if she also thinks like you do.

Romantic Ways To Propose:

- 1) Set up a candle light dinner at your favorite restaurant and pop the question.

2) Put the ring in her dessert platter like a cream pie or pastry. But make sure the waiter gives her the plate which has the engagement ring.

3) Champagne and diamonds go together so you can have the ring in her champagne glass.

4) Popping the question when you are at your favorite location like the beach. You can propose when the sun changes its hue creating a memorable picturesque ambience.

Creative Ways To Propose:

1) The most popular way to propose is during half time in a game.

2) Popping the question on a hot air balloon.

3) Asking her to marry you when sky diving, skiing or scuba diving.

Proposing to your girlfriend is your way of saying that you want her to be part of your life and live happily ever after. So there is no right way or wrong way of doing it. You can surprise her anytime and it will be special.
